Subject: GenX testing in Washington Works facility area

Andy,

This is In follow-up to our conversation of earlier today. As you are aware, **Ex. 5 Deliberative Process (DP)**

Ex. 5 Deliberative Process (DP)

Ex. 5 Deliberative Process (DP) You indicated that you could try to set up a conference call with our Region 5 counterparts for some time next week. Oh, by the way, in my conversation with Andrew Hartten (Chemours) last week, he indicated that Chemours would probably be willing to conduct such sampling if EPA requested them to do so. Thanks for your help and have a Happy Thanksgiving.

Roger
